

Tanning Before and After care

Before

- The night before your reservation, exfoliate your skin with a non -oil based exfoliant. We have some for sale!
 - Wax or shave 24 hours before your reservation.
 - Come in with a fresh face- no makeup please
- Please do not use deodorant or lotion- this can act as a barrier and the color wont adhere to your skin.
 - Please shower BEFORE you come in.

Clothes

- Ladies- we have disposable undies if you choose you want them.
 - Men- Underwear or swim trunks are required.
- After tanning- wear loose comfortable clothing- Ladies- you might not want to wear your bra- bring a swim top if you feel you need something.

After

- Wear loose and comfortable clothing.
- Avoid contact with water and soap for 8 hours-then you can shower.
 - Use mild body wash when washing your body.
- After showering, applying a moisturizer will help to extend your beautiful tan.
 - Excessive swimming or sweating can fade your color faster.
- Your color should last for about 7 -10 days. This also depends on the dryness of your skin-so keep it hydrated!
